

IEEE Xplore Digital Library

Your Ultimate Resource for Engineering Study & Research

Free webinars for all researcher and students!

This 4-session online series is to facilitate your exploration of scientific research and technical communication, from basic IEEE Xplore searching to manuscript preparation & publishing with IEEE.

This webinar series will be conducted on Tuesdays and Thursdays for two weeks, 11am—12noon, Korea Standard Time.

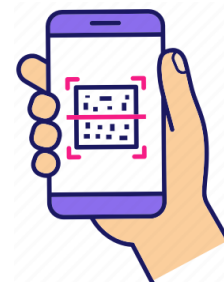

System Requirement: A computer with audio; decent Internet connection.

Note: You're encouraged to test your computer and the online system by visiting:

<https://www.webex.com/test-meeting.html>

Session	Topic	Date/Time
